The Greystone Manor was developed from a Victorian mansion. The property was constructed in 1883 from a farm house built in the mid 1800's.

Greystone Manor has operated as a bed and breakfast for fifty years. Each of the seven rooms are individually furnished, some feature stained glass windows, cut crystal doors and original woodwork.

The lobby offers a quiet charm with its Victorian decor and features leaded beveled glass doors, plaster cast walls, ceiling sculptures and an attractive dining area for guests.

The adjacent Carriage House was built around the same time as the farm house and features seven additional rooms decorated with country décor.

The site features beautiful landscaping, a pool, a pond with a fountain, an outdoor pizza oven and kitchen.

Upon acquiring the property in the early 2000's, the owner added approximately 2,200 square feet for an owner's retreat. This portion of the mansion has three additional bedrooms, living rooms, recreation rooms and a kitchen with commercial equipment for preparing family meals, as well as, bed and breakfast guests. The owner's portion of the property is equipped with private exterior and interior entrances for convenient property management.
